23 <sup>2</sup> To clarify Which's position in an ongoing dispute between Which and the Samsung  
24 Entities, Which does not hold the view that the Court's deadline for the motion to quash is obviated  
25 by any non-party serving objections to the subpoena. The parties may seek a clarification from the  
26 Court, if necessary.

27 <sup>3</sup> The Samsung Entities do not understand the Court's orders or the parties' stipulations  
28 (which specifically include the phrase "[t]he timing and procedures set forth in Federal Rule of  
Civil Procedure 45 shall otherwise apply") to require a motion to quash in order to preserve  
objections if a subpoena recipient timely served written objections under Rule 45, and view these  
stipulations as merely preserving the option of filing a motion to quash.
